

Interleaved Diary

List of text fills

PROGRAMMER NOTE: This is not a question to be added to the script. This is a reference section for the text fills used in the spec and script.

Text fills for changing date-based wording, depending on whether the question is being asked about day 1 or day 2 of the diary:

TFYesterdayOrDayBefore: "yesterday" OR "the day before yesterday"

TFYesterdayOrDay: "yesterday" OR the named day of the week for the day before yesterday (e.g., "Saturday")

TFTodayOrYesterday: "today" OR "yesterday"

TFTodayOrDay: "today" OR the named day of the week for yesterday (e.g., "Sunday").

TFDateOfDiary: yesterday's date (e.g., "12/05/2024") OR the date the day before yesterday (e.g., "11/05/2024")

TFEndDateOfDiary: today's date (e.g., "13/05/2024" OR yesterday's date (e.g., "12/05/2024")

TFDayStart: Named day for the start of the diary day.

TFDayEnd: Named day for the end of the diary day.

Text fills for address-based wording, changing based on whether the question asks about home or an entered location (also accounting for changes in Welsh grammar):

TFEichcartref: HOME OR starting address of selected journey

TFchCyfeiriadCartref: HOME OR starting address of selected journey

TFchcartref: HOME OR starting address of selected journey

TFCartref: HOME OR starting address of selected journey

Text fills for mode type, changing based on the tense that is required and whether capitalisation is required:

ID7_LC: main mode all in lower case

ID7_LCv2: walk or wheel OR cycle

ID7_LCPT: walked or wheel OR cycled

Additional text fills which feature in this document can be found in the below list:

TFTrip: this is an old text fill, from when there was ongoing discussion between the use of trip or journey. All instances of this text fill should be changed to journey.

FirstNext: A text fill that changes based on whether the trip being entered is first or second. E.g., D4.

StartAddress: Found in the interleaved (but not the Roster). Used to indicate the most recently selected address. Any instances of this one will likely need to be removed and replaced with the text-fills for address-based wording (a job for mainstage).

EndAddress: Another interleaved exclusive. Used to pipe in last location (e.g., D23).

Overall Introduction

[Ask all]

TestPhaseMessage

In this section, we will ask about your travel in the last two days. By travel we mean the journeys you made for your own purposes, such as going shopping, going to work or returning home.

If your work involves transporting or delivering goods or people, such as working as a bus driver or a delivery driver, please do not include those work-related journeys.

We are only interested in the **journeys that started and/or finished in Wales.**

[Ask if mode = web]

PostChk

Before we ask you some questions about your recent travel, please could you confirm your postcode.

This should be entered exactly how it appears on any letters you have received from us. If you've received a visit from a NatCen fieldworker, this will also be the postcode of the property they visited.

[Free text entry]

[Ask if PostChk fails]

AxPostChkError

The postcode entered does not match our records, please press the back button to retry and check again.

The postcode should be entered as it appears on any letters you have received from us.

For support, please call our Survey Enquiry Team on 0800 652 9296 or email WNTS@natcen.ac.uk.

[Ask if mode = web OR CASInt = 1]

INTROD1

You will be able to select locations using a map. You can search for a location by address, postcode or by business or place name. You can also place a pin in the map to select a location.

Bus stops are shown on the map as blue circles, sometimes with an arrow indicating direction.

[Ask if IntMode = 2 OR CASInt = 2]

TestPhaseCAPI

In this section I will ask you about your travel and select locations you have been to using a map. I can search for a location by address, postcode or business/place name and I can also drop a pin on the map if I can't find the exact location in the search bar.

Interleaved Day 1

Introduction

[Ask all]

CONTXD1

Your travel day began at **5:00 am** [TFYesterdayOrDayBefore], [TFDayStart], [TFDateOfDiary], and finished at **5:00 am** [TFTodayOrYesterday], [TFDayEnd], [TFEndDateOfDiary], covering 24 hours.

[Ask all]

D1

Where were you at 5:00 am [TFYesterdayOrDay], [TFDayStart], [TFDateOfDiary]?

1. Home
2. Somewhere else

[IF D1 = Somewhere else]

D2

Where were you at 5:00 am [TFYesterdayOrDay], [TFDayStart], [TFDateOfDiary]?

[Map location selection screen]

- I could not find my location on the map

[IF D2 = I could not find my location on the map]

D2ALTLO

You indicated that you were unable to find your location on the map. Please describe the place you were looking for. For example, "Newport Market" or "Porthmadog Train Station".

[Open text field]

[Ask all]

D3

Did you leave [address], [TFYesterdayOrDayBefore], [TFDayStart], [TFDateOfDiary] to go somewhere else?

1. Yes
2. No

[IF D3 = No]

D3_1

Sometimes people forget short walks or trips to run errands. Thinking about [TFYesterdayOrDay], [TFDayStart], [TFDateOfDiary] did you go somewhere else at any point during the day?

1. Yes
2. No

Diary Body (Journey Loop)

General

[IF D3 = Yes OR D3_1 = Yes]

D4

From [StartAddress], where did you go [FirstNext]?

Please think about any journey, even if it was only a short walk or quick errand.

[Map location selection screen]

- I could not find my location on the map

[IF D4 = I could not find my location on the map]

D4ALTLO

You indicated that you were unable to find your location on the map. Please describe the place you were looking for. For example, "Newport Market" or "Porthmadog Train Station".

[Open text field]

[IF D3 = Yes OR D3_1 = Yes]

D5

What was the purpose of this journey to [address]?

If your journey had more than one purpose, please select all that apply.

[CAPI Showcard: L1]

1. Exercise or play sports
2. Go to work
3. Holiday or day trip
4. Medical consultation or treatment
5. Personal appointment (e.g., bank, hairdresser or launderette)
6. Personal journey during work (including between work locations)
7. Shopping, even if there was no intention to buy anything
8. Education (e.g., go to school, college)
9. Social or entertainment (e.g., meet friends or family, voluntary work)
10. Informal caring responsibilities (e.g., care for an elderly relative)
11. Accompany someone (e.g., drop someone off or pick someone up)
12. Return home
13. Other (please describe)

[IF D5 = Other]

D5_Other

Please describe the purpose of your journey to [address].

[Open text field]

[IF multiple responses are selected at D5]

D5_2

Which of the following was the main purpose of your journey?

The main purpose is the primary reason why you travelled.

1. [Piped response 1]
2. [Piped response 2]
3. ...

[IF D3 = Yes OR D3_1 = Yes (i.e., if number of journeys > 0)]
