Dear colleague

Establishment of proposed F2 Core Valley Lines (“CVL”) Vehicle Change: Class 769 CVL East Boundary to Rhymney

The consultation period for the CVL Vehicle Change described above has now ended and I am pleased to advise that any objection, comment or query received has been satisfactorily resolved.

As such the change has now become an Established CVL Vehicle Change as defined in Part F of the CVL Network Code. Should there be any proposed future variations to the established CVL Vehicle Change, I will contact you again.

Thank you for your co-operation in processing this proposal as required under Part F of the CVL Network Code.

Yours faithfully

Nick Rowe
