Good afternoon, Thank you for your Freedom of Information (FOI) Act request of 17 January 2020. We can confirm that we hold the information requested.

Transport for Wales has two branded shovels in ownership. The shovels were bought at a local DIY store and designed and branded in-house by a member of staff at their own leisure/personal time. The cost of materials (shovels, spray paint and lacquer) totalled £41.38.

Best regards

Transport for Wales

Subject: Branded shovels

Good afternoon, Please see attached photo. Please could you tell me how many branded spades and shovels TfW owns, and how much they spent on them?

Thanks
