

Draw Me

Use the template below to draw your feelings towards your chosen topic. Think about how this issue can affect you emotionally, mentally, financially and physically, labelling those feelings in the associated places of the body.

A grey silhouette of a human figure is shown from the front. Four specific areas are highlighted with icons and labels, each connected to a dashed line pointing to a light grey rectangular drawing box on the right:

- Mentally:** A brain icon is located in the head area.
- Emotionally:** A red heart icon is located in the chest area.
- Financially:** A yellow circle with a black pound sign (£) is located in the lower torso area.
- Physically:** A white bone icon is located in the lower leg area.

Four light grey rectangular drawing boxes are positioned to the right of the silhouette, corresponding to the four categories.
