

Informing the Alien

Divide the group into Informants and Aliens.

The Informants are those who know the most about the chosen topic and the Alien's role is to learn from their Informant. The Informants will note down all of their knowledge, whilst also being timed. Once the times up, they'll inform their aliens. Once the aliens are informed, they must re-present all the new and foreign information that they learnt.

The Informant

The Alien
