Freedom of Information Request

We are writing in response to your Freedom of Information request. Your request has been considered in accordance with the requirements of the Freedom of Information Act and our information access policy.

You asked for the following information:

*"Please provide us with the intended route of the South Wales Metro through Cardiff Bay.
Specifically in terms of Cardiff Council's 'Masterplan'
[Attachments provided]"*

Having reviewed your questions, we are able to provide the following information:

The Metro route beyond Cardiff Bay Station through the area in question is at present a high-level proposal and is being determined by the master-planning work with Cardiff Council and a third party design consultant. TfW has a Metro design integration role, and are also undertaking work to establish the feasibility of the Metro route behind the multi-storey car park and station layout in the vicinity of Pierhead Street. Metro alignment is currently with Cardiff Council, and at this stage TfW are only inputting to this work from a Metro feasibility perspective.

The route passes adjacent to the Makers Guild Building utilising Lloyd George Avenue. Any access impacts will be considered and consulted upon with those affected as part of the design and planning process.

We hope this information is of use to you.

Yours sincerely,

Transport for Wales
