Dear colleague,

**CVL Network Code Condition G1 Short Term Network Establishment Notice:  
Cwmbargoed Branch Temporarily Out of Use (ELRs: PTA 13m 41ch to 15m 01ch,  
VON 12m 41ch to 13m 72ch and TBD 13m 68ch to 19m 59ch)**

The consultation period for the CVL Network Change as described above has now concluded and I am pleased to advise that any objection, comment or query received has been satisfactorily resolved.

During the consultation, Amey Infrastructure Wales received one objection to the proposal from a CVL Access Beneficiary. This objection was successfully removed by updating the proposed reinstatement period for the Short Term Network Change, from 3 years to 1 year, after discussions with the infrastructure owner.

As such, the change has now become an established CVL Network Change as defined in Part G of the CVL Network Code. The works necessary to achieve the established CVL Network Change can now be undertaken. Should there be any proposed future variations to the established CVL Network Change, I will contact you again.

Thank you for your co-operation in processing this proposal as required under Part G of the CVL Network Code.

Yours faithfully,

**Gary Davies-Knight**
